

LAM APPOINTS OMARJEE AVIATION AS GENERAL SALES AGENT IN MAURITIUS

It is a matter of great pride for Omarjee Aviation who has been appointed as the General Sales Agent of Mozambique Airlines in Mauritius. This Airline serves direct flights to many destinations on the African Continent. Mozambique Airlines flies to domestic destinations such as Maputo, Beira, Inhambane, Vilanculos, Chimoio, Quelimane, Tete, Nampula, Nacala, Pemba and Lichinga and international destinations such as Nairobi, Dar Es Salam, and Johannesburg with its own aircraft, and in codeshare basis it flies to Luanda, Adis Ababa, Bangkok, Guangzhou, Mumbai and Dubai, Lilongwe.

Omarjee Aviation and Mozambique Airlines announced this partnership as one of their objectives to promote the African destinations. Based at Maputo International Airport, Mozambique Airlines flies to 28 cities in 15 countries around the world on which some of these flights are operated on a codeshare basis. Mozambique Airlines operates with a fleet composed with Boeing, Embraer and Bombardier aircraft type. The company is a member of the International Air Transport Association (IATA) since 1946, it is also member of the African Airlines Association (AFRAA) since 1976 and it is IOSA and ISO 9001 Certificate since 2007. Mozambique Airlines offers a personalized service where the passenger is notified and directed with special attention, to all departures and arrivals procedures.

Omarjee Aviation has its office in Royal

Road Curepipe, which is strategically located in the centre of Mauritius between the airport and Port Louis (the capital city). Spokesman for Omarjee Aviation, Umarfarooq Omarjee, the Executive Director stated that “We look forward to introduce Mozambique Airlines to the Mauritius market and to facilitate connectivity with Mauritius and Mozambique but also within Mozambique. We have always believed in air connectivity and relation between Mauritius and the African continent.” And Mrs. Maria Luisa Ferreira spokesman for Mozambique Airlines, the Commercial Director added “it is a great opportunity to work with Omarjee Aviation in the Mauritius market, a destination where we intend to have significant presence, starting with sales for the expansion of our international network and also to serve the insular coast of the Indian Ocean”.
